
Adult Abuse

313.1 PURPOSE AND SCOPE

This policy provides members of this department with direction and understanding of their role in the prevention, detection and intervention in incidents of adult abuse. It is the policy of the Shasta County Sheriff's Office to treat reports of adult abuse as high priority criminal activity that is to be fully investigated regardless of the relationship between the victim and the suspects.

313.1.1 DEFINITIONS

Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement (Penal Code § 368).

Abuse of an elder (age 65 or older) or dependent adult - Physical abuse, neglect, financial abuse, abandonment, isolation, abduction, or other treatment with resulting physical harm or pain or mental suffering; or the deprivation by a care custodian of goods or services that are necessary to avoid physical harm or mental suffering. 313.2 DEFINITIONS

Definitions related to this policy include:

Adult Abuse - Any offense or attempted offense involving violence or neglect of adults over the age of 65 or any offense or attempted offense involving a dependent adult victim committed by a caregiver. The Major Crimes Unit supervisor is responsible for ensuring that proper notifications have occurred to the District Attorney's Office and any other regulatory agency that may be applicable based upon where the abuse took place (e.g., care facility, hospital) per Welfare and Institutions Code § 15630(b).

Notification is not required for a person who was merely present when a person self-administered a prescribed aid-in-dying drug or a person prepared an aid-in-dying drug so long as the person did not assist the individual in ingesting the aid-in-dying drug (Health and Safety Code § 443.14; Health and Safety Code § 443.18).

313.3.1 RECORDS UNIT RESPONSIBILITY

The Records Unit is responsible for the following:

- (a) Provide a copy of the elder/dependent abuse report to Adult Protective Services. This requirement is applicable even if the initial call was received from Adult Protective Services.
- (b) Retain the original elder/dependent abuse report with the initial case file.

313.3.2 NOTIFICATION PROCEDURE

Notification should include the following information, if known (Welfare and Institutions Code § 15630(e)):

- (a) The name of the person making the report.

Adult Abuse

- (b) The name and age of the elder or dependent adult.
- (c) The present location of the elder or dependent adult.
- (d) The names and addresses of family members or any other adult responsible for the care of the elder or dependent adult.
- (e) The nature and extent of the condition of the elder or dependent adult.
- (f) The date of incident.
- (g) Any other information, including information that led the person to suspect elder or dependent adult abuse.

313.4 DEPUTY RESPONSE

All incidents involving actual or suspected adult abuse shall be fully investigated and appropriately documented.

313.4.1 INITIAL RESPONSE

Deputies may be called upon to effect a forced entry as the first responder to the scene of suspected adult abuse. Entry should be immediate when it appears reasonably necessary to protect life or property. When the need for an emergency entry is not evident, deputies should seek supervisory approval. Deputies must be prepared to provide emergency care pending the arrival of medical personnel, if not already present.

313.4.2 STABILIZE THE SITUATION

Deputies must quickly assess the situation in an effort to ensure the immediate safety of all persons. Deputies shall also consider taking the following actions:

- (a) Attempt to identify the victim, suspect and witnesses as well as the roles and relationships of all parties. Parties should be interviewed separately when possible.
- (b) Preserve the crime scene where evidence may be present. All persons should be removed from the scene until it has been photographed and processed. Any evidence that may change in appearance (e.g., injuries) should be photographed as soon as practicable.
- (c) Assess and define the nature of the problem. Deputies should assess the available information to determine the type of abuse that may have taken place or the potential for abuse in the future that may be eliminated by intervention.
- (d) Make on-scene arrests when appropriate. Deputies may arrest a person without a warrant when probable cause exists to believe that the person has committed an assault or battery, whether or not the assault or battery has in fact been committed, upon an adult to whom the suspect is related by blood or legal guardianship, provided the arrest is made at the time probable cause arises (Penal Code § 836). If an arrest is not otherwise required by law, deputies should consider the consequences that the immediate arrest of a sole supporting family caretaker might have on the victim. The decision to arrest should be based on the best interests and caretaking needs of the elderly or dependent adult victim. The present and future safety of the victim is of utmost importance.

Adult Abuse

313.4.3 SUPPORT PERSONNEL

The following persons should be considered for notification if it appears an in-depth investigation is appropriate:

- Patrol supervisor
- Detective personnel
- Evidence collection personnel

- Ombudsman shall be called if the abuse is in a long-term care facility, to coordinate efforts to provide the most immediate and appropriate response (Welfare and Institutions Code § 15630(b)).
- Investigation efforts shall be coordinated with the designated investigators of the State Department of State Hospitals or the State Department of Developmental Services if the abuse occurred in a state mental hospital or state developmental center (Welfare and Institutions Code § 15630(b)).

313.4.4 EMERGENCY PROTECTIVE ORDERS

Any situation in which a deputy reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the deputy may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

313.5 ADULT ABUSE REPORTING

Every allegation of adult abuse shall be documented in a report. When documenting elder/dependent abuse cases the following information should also be included in the report:

- Current location of the victim
- Victim's condition/nature and extent of injuries, neglect or loss
- Names of agencies and personnel requested and on scene

Reporting cases of adult abuse is confidential and will only be released in accordance with the Release of Records and Information Policy.

Deputies investigating adult abuse shall complete a State of California form SOC 341 (Report of Suspected Dependent Adult/Elder Abuse).

313.6 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

Shasta County Sheriff's Office

Shasta County SD Policy Manual

Adult Abuse

- (a) The overall basis for the contact. This should be done by the investigating deputy in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.

- (k) Whether a death involved the End of Life Option Act:
 - 1. Whether or not assistance was provided to the person beyond that allowed by law (Health and Safety Code § 443.14)
 - 2. Whether an individual knowingly altered or forged a request for an aid-in-dying drug to end a person's life without his/her authorization, or concealed or destroyed a withdrawal or rescission of a request for an aid-in-dying drug (Health and Safety Code § 443.17)
 - 3. Whether coercion or undue influence was exerted on the person to request or ingest an aid-in-dying drug or to destroy a withdrawal or rescission of a request for such medication (Health and Safety Code § 443.17)
 - 4. Whether an aid-in-dying drug was administered to a person without his/her knowledge or consent (Health and Safety Code § 443.17).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

313.7 INVESTIGATORS

Investigators should be available to investigate cases of adult abuse. These investigators should:

- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable (Welfare and Institutions Code § 15610.55).

313.8 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the deputy should make reasonable attempts to contact APS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the deputy should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the deputy shall ensure that the adult is delivered to APS.

Whenever practicable, the deputy should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, deputies should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

313.8.1 EMERGENCY PROTECTIVE ORDERS

In any situation which a deputy reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the deputy may seek an emergency protective order against the person alleged to have committed or threatened such abuse (Family Code § 6250(d)).

313.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.
